

Project C.A.S.P. - Weekly Update 5

Ryan Tedeschi, Dylan Carson, Chris Bowlen

February 13, 2017

1 Development Progress

The team continued work on the Analyze, Translate, and Control modules this past week. Development on the Analyze module was started, and Development on the control module was almost completed. The team suffered minor setbacks, as both Ryan and Dylan became ill and were not able to complete the amount of work expected of them for the week.

2 Weekly Tasks

This week, the team will continue their tasks from the previous week. Ryan will finish the Control module and begin work on the Outline module. Chris will continue work on the Translate module. Dylan will continue development on the Analyze module.
